GOVERNMENT OF INDIA.

HOME DEPARTMENT.

Simla, the 19th September 1931.

RESOLUTION.

The provisional totals of the population in India as obtained at the recent census which were published with the Government of India, Home Department Resolution No. F. 45/13/31-Public, dated the 21st March 1931, have since been revised and the first revised totals are exhibited in Tables A, B and C appended to this resolution. The revised totals are not final, but it is not anticipated that the difference between these figures and the final ones will be appreciable. The difference between the figures now given and those of the former resolution is due in part to the addition of figures for certain areas (*e.g.*, Sikkim) not included in the first totals and in part to the adjustment of areas affected by transfers and other changes since 1921.

2. In addition to the revision of Provisional Tables A, B and C, provisional Table D regarding the population by religion is appended to this resolution. The figures of Table D may be taken as approximately correct although they are incomplete in respect of the figures for certain parts of the Bombay Presidency and Burma. In some provinces only the more important religions are shown, so that in the case of some religions whose numbers in a particular province are few, they are included under the head " Minor Religions ", and the grand totals are to this extent qualified.

The difference between the provisional totals of Tables D and A is due to the fact that finally verified figures have been obtained from some provinces for the former and from others for the latter table only.

ORDER.—Ordered that a copy of this Resolution, with appendices, be forwarded to all Local Governments and Administrations* for information and guidance, that a copy be forwarded to all the Departments of the Government of India and the Public Health Commissioner with the Government of India, the Educational Commissioner with the Government of India and the Census Commissioner for India.

TABLE A.

Population of Provinces and States and Variation since 1901.

The population returned at previous Censuses has been corrected, as far as possible, in order to allow for subsequent inter-provincial transfers.

2. The figures for the Madras States include those of Cochin and Travancore, the figures of these States being also shown separately.

3. The political control of Aden, which is still technically a part of the Bombay Presidency, is with the British Government, but as its general administration is still directly under the Government of Bombay, Aden has been shown for the purpose of the Census as part of the Bombay Presidency.

TABLE D.

The Population by Religion.

The total population shown in this Table is less than that shown in Table A owing to the omission of 2,212,837 persons (males 1,167,712, females 1,045,125) in the North-West Frontier Province and a small number in certain other tracts who were not enumerated by religion; and the figures also differ from those of table A owing to the non-receipt of final figures from certain provinces, in either one table or the other.
